AUTHORIZATION FOR TREATMENT

To the best of my knowledge, my child is (or if over 18, I am) in good health. I will notify the Camp if my child is (or if over 18, I am) exposed to an infectious or communicable disease during the three weeks prior to arriving at Camp.

I hereby authorize the Camp personnel to handle any medical problems with my child (or if over 18, with me) during his/her/my stay at Camp. In the case of an emergency, after reasonable effort has been made to contact the Parent/Guardian, permission is hereby given to the Physician selected by the Camp to hospitalize, secure proper treatment, order injections, anesthesia or surgery for my child (or if over 18, for me) as named above. This may include being off the Camp site overnight. I also agree to check in and out with the Camp Nurse at the beginning and end of Camp.

In signing this form, I recognize that there are inherent risks involved in some Camp activities and that I will assume full responsibility for myself, my actions, my property and for minors less than 18 years of age under my care while at EBC.
